

The digital Helen Keller Archive

How -to's

How do I Search the Archive?

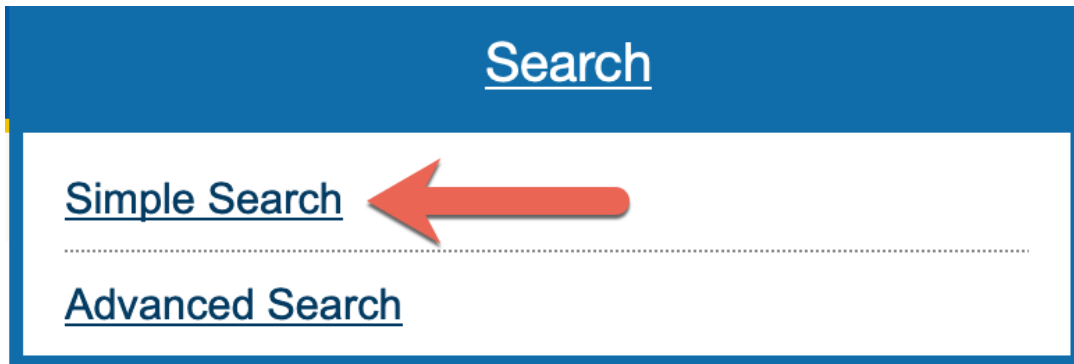

Two ways to Search: Simple Search and Advanced Search

Search the Archive

You can perform a **Simple Search** or an **Advanced Search** .

- A **Simple Search** begins with a word or string of words.
- An **Advanced Search** may also include limitations by date or category.

Use Simple Search

1. Click the **Search** drop-down menu and click the **Simple Search** link.

Simple Search: Search the Helen Keller Archive

Search for

Search

Clear search

- 2.

Advanced Search: Search the Helen Keller Archive

A screenshot of an advanced search form. The form is enclosed in a red rectangular border. It contains several fields: "Search for" with the text "dogs", "Date from" with three dropdowns for "Any day", "Any month", and "Any year", "Date to" with three dropdowns for "Any day", "Any month", and "Any year", "Results per page" with a dropdown set to "20", "Sort by" with a dropdown set to "best match first", and "Category" with a dropdown set to "All". There are also "Search" and "Clear search" buttons, a "Help" link, and a "Search history" link.

Enter a keyword(s) into the search bar. Control your search results by changing the date or category.
